Jackson Summer Reading Challenge

One of the best things you can do over the summer is READ!! Reading can be a time to relax, a time to get together with friends, or a way to end the day with family. No matter how you choose to do it, remembering to read over the summer will help you next year!

Some of our students are still learning how to read words, and might need an adult to help with that, but all of them can “read” pictures, and come up with a great story!

This summer to encourage a love of reading we have decided to play summer reading BINGO. Each time you read you can cross off 1 or more small boxes. When the small box or boxes in a square are crossed off you can cross off the big box!

*All students who return a completed Summer Reading Challenge form to school by **September 15th** will get to enjoy a pizza lunch (or another prize if Covid rules doesn't allow for a pizza lunch) with Mrs. Stapleton – your new principal.*

Hooray!! I finished the Jackson Summer Reading Challenge!!
