

September 9, 2022

What a great start to our year! Hearing the joy and excitement coming from the students as they greeted their friends, classmates and teachers was heartwarming.

**School Supplies:**

Please remember to send school supplies on Monday.

**Class Lists:**

Thank you for your patience and understanding as we work through the process of creating class lists. It is a very challenging task, as there are so many factors to consider. We thank you, in advance, for trusting in our process. The lists will be going up **today after 4 o'clock** and will remain up over the weekend. Please feel free to come by over the weekend (or wait until Monday morning) to view the list.

We have had a marked increase in enrollment this fall and as a result have added a new division and are now up to 10! Space inside the school is at a premium. To accommodate this increase, the district will be moving a portable onto our school grounds.

***On Monday, Jackson's site will be prepped to receive the portable. On Tuesday, the portable will be transported and placed behind the school. This will result in a need to close the back parking lot. Drop off on next week may be impacted, so we appreciate your patience. The drop-off lane will be open, but if you walk your child(ren) to their classes, please park on the road.***

**Meet the Teacher Night:**

Meet the Teacher Night will be held on Thursday, September 15 from 5 – 6 pm. Families are encouraged to come out and meet their child(ren)'s teachers, drop by the gym for some refreshments and enjoy time connecting with our Jackson community. We hope you can come!

We are looking forward to a great year!

Kind regard,

Mrs. Debbie Stapleton  
Principal
